

PREFACE

First of all, In the name of Allah SWT, the most merciful and gracious, I would like to say thanks to Allah SWT for the blessings, guidance, and strength He gave from the beginning of my university year until the completion of this thesis work. This research could be finished only by His Grace. I also want to convey shalawat and salam to the last messenger of God, Muhammad the Prophet.

I would also like to express my deepest gratitude to my beloved parents, Sumadiyono and Yanti Nurjanah, who never stopped praying for and supporting me. No words can describe how grateful and proud I am to be their child. Thank you for all the sacrifices, hard work, hugs, and patience so that I can finish my education and get my bachelor's degree on time.

In the preparation of completing this thesis, I would also like to express my deepest gratitude to all parties for their help and support in the success of my thesis work:

1. Sir. Dindin Dimiyati S.Sos., M.M., as a supervisor, for the continuous guidance, insights, encouragement, and assistance given to me during my research so that I can complete my thesis work.
2. All staff of the Communication Science department who helped the author complete this thesis.
3. All the lecturers in the Communication Science department who have been provided knowledge during these past 3 years.
4. All the students of PPM RJ Bandung who have participated in my research.
5. My beloved brothers Fadhlani Diyan Syakuron and Jihad Diyan Prawira, as well as my beloved naughty sisters, Ghaisani Diyan Qonita and Ikrimah Diyan Lestari, for always giving support, prayers, jokes, hugs, and encouragement to each other.
6. To my best sister friend ever, Dinda Hamidah, who have always been together to support each other from the beginning until now by laughing and crying together in every ups and downs of our lives and also through hard times in High School and Pipiem.
7. To my best friends, Andini Sabila Y.P., Hanifa Chairani, A6ae, My Empathy Gurl, My ING Groups, and My Pipiem Friends, for their support, prayer, and encouragement from the beginning. I started this college with so many struggles that I always tell you about and impose on you.

8. All the seniors and my friends Luciana Anjani and Aries Chita Prawindi, who have provided direction and examples regarding the thesis.
9. Also, to my friends in International Communication Science Class and Communication Business Faculty and my Telkom friends, whom I could not mention one by one for all my campus memories since 2019.
10. To *Uwa* Lilis and *Uwa* Nining, and my big family and my neighbour who have participated, as well as their support, help, encouragement, and prayers.
11. Thank you to all those who have helped and encouraged the author in her work. And big thanks to Lauv and Mugiwara Nakama for their encouragement and for accompanying me to work on this research.
12. Last but not least, I wanna thank me, I wanna thank me for believing in me, I wanna thank me for doing all this hard work, I wanna thank me for having no days off. I wanna thank me for never quitting, I wanna thank me for always being a giver and tryna give more than I receive. I wanna thank me for tryna do more right than wrong, I wanna thank me for just being me at all times.

Thank you to all those who have helped and encouraged the author in working on this thesis. Hopefully, Allah SWT will always bless those mentioned above, and all their sacrifices will become their merciful deeds to help them gain success in their future lives. The author realizes that there are still many shortcomings in this thesis that must be corrected. Therefore, any constructive criticism or suggestion will be gladly accepted. Finally, it is expected that this thesis will be beneficial for the readers, especially Telkom University students.
