

FOREWORD

Alhamdulillah, all praises to Allah SWT, the lord of the universe who has been giving and blessing the researcher until it could complete this Thesis with title “Generation Z Health Information Seeking Behavior of COVID-19 Vaccine on Social Media” as one of the requirements to obtain degree of Communication Science Bachelor. The researcher also thanks to all Telkom University entities, especially to Communication Science study program, Faculty of Communication and Business for the opportunity and the education that has been given so far.

The researcher realizes if the thesis would not be finished without help from various parties. For this reason, the researcher also would like to express the deepest gratitude to all parties involved in the preparation of this thesis. There are:

1. Mrs. Ade Irma Susanty, Ph.D., as Dean of Communication Science study program.
2. Mrs. Idola Perdini Putri, Ph.D., as both the Leader of Communication Science study program and guardian lecturer who has given help throughout study duration. I appreciate you a lot miss, thank you very much.
3. Mrs. Alila Pramiyanti, Ph.D. as thesis advisor which researcher respect a lot. Who is very patients guided the researcher, whose contributed greatly in devote time, thought and attention to provide guidance, directions and suggestions in completing this thesis. All my gratitude is for you.
4. All lecturers and administrative staffs of Communication Science who have given knowledge, insight, experience and help through the researcher studied at the Faculty of Communication and Business, Telkom University.
5. All of informants who are cooperative, willing to be interviewed and had giving insights for this research. Thanks to Mrs. Astinana, Mrs Ratna, Mr. Hafiz, Mr. Resi, ka Sabrina, ka Ajeng, ka Akbar, Izul and Galuh.
6. My family and all of my relatives. Nabil my brother, Pak Yadi my father and the best mother in the world goes to Ibu Wenni. Thank you for your all-unconditional love, I promise that I will make you guys proud.
7. Who never stop support me, in my ups and in my down. My dear friend Lipey (Alifia), Isha, Qia, Ka Alfi and Delea.
8. My classmate from KM-41-Int 2017, PR department of Aksara Journalistic and HF.
9. Those who are not able to be called one by one, who have provided help or support, may God bless them all with Allah S.W.T mercy and grace.
10. The last but not least, thank you for myself for never giving up.

The researcher realizes that this thesis is far from perfect, both in writing technique, language structure, or scientific perception. For this reason, the researcher is looking forward to advice and criticism that builds for future improvements. The researcher also hopes that this thesis can be beneficial especially for the researcher herself, and in general for Telkom University students.
