

FOREWORD

Praise and gratitude to the almighty Allah SWT, His grace has given the author the opportunity to complete the final project report entitled “”Screen Time Police” Application Design to Limit and Control Social Media Usage for Young Adults in Bandung” as one of the requirements to obtain a bachelor's degree in the Visual Communication Design study program at Telkom University.

In the design process, the author received tremendous amount of support and guidance from various parties. With all due respect, the author would like to thank:

1. Prof. Dr. Adiwijaya, S. Si., M.Si., as the rector of Telkom University
2. Mr. Dimas Krisna Aditya S.IP. M.Sn. as the first advisor and Ms. Yelly Andriani Barlian, S.S., M.Pd., as the second advisor in designing the final project who has provided direction and guidance for the author.
3. Mr. Riky Azharyandi Siswanto., S.Ds., M.Des. as the first examiner and Mr. Aria Ar Razi, S.Ds., M.Ds. as the second examiner who have provided criticism and feedback for the author .
4. My parents who are always supportive and encouraging while the author is designing the final project.
5. All parties from practitioners to target audiences who have played a role in helping the author design the final project.
6. My friends, namely Hafizh, Salsabila and the others who have helped the author with the process of designing the final project.

The author hopes that this project will prove to be beneficial for future readers and researchers. The author realized that this final project is still far from perfect, so constructive criticism and suggestions are very much welcomed.
