

DEDICATION

Praise the authors pray to the presence of Allah SWT, which with His mercy and grace, the author can complete the preparation of the final assignment "Implementation Of Home Energy Management System With Hybrid Solar Power Plant For Residential Houses In Indonesia".

Shalawat and greetings may be bestowed on the Prophet Muhammad SAW, his family, his companions, the tabi`in and reach us as his people at the end of time who hopefully get safety and happiness in this world and in the hereafter, ameen.

The author would like to thank all parties who have helped in the preparation of this final report, including:

1. Dr. Ir. Jangkung Raharjo, M.T who has guided and given permission to carry out the research.
2. Kharisma Bani Adam, S.T.,M.T.,Ph.D. as the second supervisor of the Final Project.
3. Ms. Rina Pudjiastuti and Ms. Dhade as Lecturers for Thesis Proposals.
4. Both parents and teachers who have provided support and motivation.
5. Saepul Uyun and Dwi raffi Susanto as classmates and contemporaries as well as partners in discussing this research.
6. Friends of the Masters in Electrical Engineering, especially friends and senior researchers Aan Eko Setiawan
7. All elements involved in assisting research and report writing.

The author apologizes if there are still errors in this research report. Writing, criticism and suggestions are needed so that the writer can perfect the writing of reports in the future.
