

FOREWORD

My biggest gratitude goes to Allah SWT for all His Grace and Prophet Muhammad Peace Be Upon Him with all his kindness so that the author is able to finish the Final Assignment Project with the title of **“DESIGNING COMPETENCY DEVELOPMENT PLAN BY MEASURING PROJECT MANAGER’S PERSONAL COMPETENCIES USING PROJECT MANAGER COMPETENCY DEVELOPMENT FRAMEWORK (PMCDF) IN REGIONAL X OF PT XYZ”** can be finished on time. This Final Assignment Project is for fulfilling the requirement of the Final Assignment of Telkom University Industrial Engineering Study Program. The author realized without receiving love and support, this Final Assignment cannot be finished. Thus, this Final Assignment is devoted to:

1. Mama, Papa, Sadi, Mba Icha, Mas Rio, Teh Ninik, Aira, Pillario, and Kiandra, also Baitul Hidayah Family. Thank you for giving me love, support and prayers.
2. Mrs. Ika Arum Puspita, S.T., M.T., as Mentor I that has given the author suggestions and corrections throughout the research.
3. Sir Dr. G.N. Sandhy Widyasthana, S.T., M.B.A., PMP., as Mentor II that has given the author suggestions and corrections throughout the research.
4. PT XYZ that has given me the opportunity to observe on behalf of this final project research.
5. And all of the parties that have prayed and give me support throughout the research.

In the process of this research, there will always be flaws and evaluations are always needed. Therefore, it is expected to earn suggestions and criticism so that this research can be developed even better in the future. Thus, this research can be used as one of the references for further research and become beneficial for the readers.
