
LIST OF TABLES

Table 3.1 Design specifications	15
Table 3.2 Design specifications.....	15
Table 4.1 Design parameters.....	19
Table 4.2 Comparison of simulation results	21
Table 4.3 Comparison of simulation results of absorber A, absorber B, and A-B combination.....	24
Table 4.4 Thickness variations toward polarization insensitivity.....	30
Table 4.5 Delta area variations toward polarization insensitivity.....	33
