

## FOREWORD

We express our gratitude to the Almighty God, Allah, who is most deserving of praise, for His presence and the blessings He has bestowed upon us. Through His grace and guidance, we have been able to successfully complete a final project titled "**Electric Motorcycle Battery Swapping Station Monitoring System for Engineer.**"

Furthermore, we wish to extend our heartfelt appreciation to all those who have contributed to the preparation of this final project. Undoubtedly, its accomplishment would not have been possible without the invaluable support from various individuals and groups.

As the authors, we acknowledge the imperfections that may exist in both the formulation and the linguistic presentation of this final project. Hence, we earnestly welcome suggestions and critiques from our readers, as it is through such feedback that we can enhance the quality of this endeavour.

Our aspiration is that the compilation of this final project will prove to be beneficial and inspiring to its readers.
