

ACKNOWLEDGMENTS

Praise be to God Almighty because of His grace, the writer can finish this thesis well. This thesis is compiled with the effort, help, support, guidance, suggestions, and motivation that have been given by many parties. I would like to express my deepest gratitude and thanks to:

1. Mr. I Wayan Sugiarta and Mrs. Ni Nyoman Sukasari as the writer's parents and Ni Kadek Mas Novi Permatasari as the writer's younger sister who have provided moral support, advice, time, prayer and material to the writer so that the writer can complete the course properly and on time.
2. Mr. Muhammad Zakiyullah Romdlony, Ph.D. and Dr. Ir. Sudarmono Sasmono, S.Si., M.T. as supervisor and co-supervisor who have taken the time, provided guidance, and solutions for the writer in completing the thesis.
3. Mr. Prof. Dr. Ir. Jangkung Raharjo, M.T. as a reviewing lecturer who has assisted the writer in giving consideration to completing the thesis.
4. Mr. Dr. Basuki Rahmat as a Guardian Lecturer who has assisted the writer in academic matters while studying at Telkom University.
5. PLN Puslitbang as a data facilitator needed in preparing the thesis.
6. Postgraduate study colleagues: Laksmi, Yasa, Rifqi, and Bayu who have provided encouragement, reward, assistance, advice, and accompanied me to work on this thesis.
7. Grandpa, Grandma, and big family in Bali who always ask "When is Graduation?" which motivated me to write this thesis.
8. The entire academic community of Telkom University for all their assistance and all parties involved that the writer cannot mention one by one.
9. Lastly, thank you to myself for having the courage to face all the challenges and issues. May the experiences, insights, and knowledge gained up until now strengthen me to confront new things in the future.

I hope God repay the kindness of all those who have helped in the completion of this thesis, Astungkara Svaha.
