

FORE WORD

Praise be to Allah SWT, because for His grace and guidance, the author can complete the writing of a thesis with the title "Understanding Javanese for Telkom University Students to Introduce Javanese to Non-Javanese Speakers" This thesis is the result of the author's hard work and dedication during the study period at Telkom University Bandung. The writing of this thesis is carried out as the final demand of the educational journey and is one of the requirements for obtaining a Bachelor's degree in the Communication Science Study Program, Faculty of Communication and Business, Telkom University Bandung.

During the preparation of the thesis, the author received a lot of moral and moral support, entertainment, prayers, motivation, help, criticism and suggestions from the author's social environment. Therefore, the author would like to thank the parties involved, namely:

1. Prof. Dr. Adiwijaya, S.Si., M.Si., as the rector of Telkom University Bandung.
2. Ade Irma Susanti, Ph.D., as the Dean of the Faculty of Communication and Business, along with all his staff, who have provided guidance to all students of the Faculty of Communication and Business.
3. Idola Perdini Putri, Ph.D., as Head of the Communication Science Department of the Faculty of Communication and Business, along with all of her staff, who have provided guidance to all Communication Science students of the Faculty of Communication and Business.
4. Catur Nugroho, S.Sos., M.IKom, as the research supervisor who has contributed greatly to taking his time, thoughts, and attention to provide guidance, direction, and advice for the author during the preparation of this thesis.
5. Dr. A. Hasan Al Husain, S.IP., M.IKom, as the author's guardian lecturer who has provided guidance, advice, support and direction during the author's time as a student at Telkom University.
6. All lecturers of the Communication Science Study Program, Faculty of Communication and Business who have provided knowledge, understanding, insight, experience, and knowledge to the author during his studies at the Telkom University Communication Science Study Program.

7. All LAAK staff of the Faculty of Communication and Business, and Open Library staff who always provide the best service for students and help writers during their studies at the Faculty of Communication and Business, Telkom University.
8. To my family consisting of mamah, papah, uti, aunty, and uncle. Who always provide mental and physical support during their education until they can complete their education at Telkom University.
9. All fellow 2020 Communication Science students, especially KM-44-INT-1 classmates who always support and have gone through studies together at Telkom University.
10. To my close friends Thasya, Ardhan, Dwi, Rama, Michelle, mas Raga, Vena, and Salwa who provided support and assistance in this college.
11. Friends who became informants of this research who have helped the author collect data for this research
12. And lastly, to myself Rifta Alifia, Putra Pratama, thank you for having survived so far, thanks for still choosing to strive, rise without knowing tiredness and never breaking spirit. Keep trying to what you expect yourself and your parents.
13. And of course, other parties who cannot be mentioned one by one, may Allah SWT reward them in the future.

The author fully realizes that this thesis is far from perfect and there are still many shortcomings both in the form of presentation and in the form of language use. So, the author expects criticism, suggestions or input that is constructive from various parties for improvement and hopefully this thesis in the future can be useful for everyone, especially to the author himself.
