

## ABSTRACT

*Visualization of Mythomania Through the Medium of Short Film with the Title Lies "Final Project: Visual Arts Study Program, Faculty of Creative Industries, Telkom University"*

*The creation of a short film with a semi-experimental style entitled Downgrade is intended to illustrate the adverse effects of Mytomania which can harm oneself and the surrounding environment. Where this short film begins with a story about a girl with Mythomania who has difficulty controlling her lies. This short film with a semi-experimental style is expected to be easily conveyed by the audience the intent and purpose of this film both visually and in the storyline, using a mature concept of work and taking artist references that are in accordance with the purpose of writing this work well or perfectly. The benefits in this work are expected that the audience can be aware of the very detrimental effects of Mythomania and can avoid all the bad effects.*
