*Title* : *Abstract for Video Art Project: Unveiling  
Hidden Anguish*  
*Thesis* : *Visual Arts School of Creative Industry  
Telkom University*

*The aim of making this video art work is to investigate the emotional dimensions of humans, especially the theme of pent-up anger, and present it through a visual medium. Entitled "Pent-Up Anger," the video delves into an individual's psychological space that is often hidden from outside view. By bringing together elements of visual, narrative and audio art, " Hidden Anger " creates a deep aesthetic experience and invites the audience to delve into an often overlooked emotional space.*

*Keyword : Video Art , Psychology , Anger*
