

## PREFACE

With utmost gratitude, I extend my sincere praises to Allah SWT, whose boundless mercy and grace have enabled me to successfully accomplish the final project titled "Enterprise Architecture for Education: A TOGAF Approach to Achieve Digital Transformation and Optimal Performance (A Case Study of Shared Service Function)" as a vital component in fulfilling the requirements for the completion of the Information System Undergraduate Program at Telkom University. On this significant occasion, I would like to express my heartfelt appreciation to:

1. I extend my utmost gratitude to Mrs. Asti Amalia Nur Fajrillah, B.MM., M.Sc., as the supervisor I, and Widia Febriyani, S.Kom., M.Kom., as the supervisor II, for their unwavering support, guidance, and invaluable assistance throughout the entire duration of this project. Their expertise, motivation, and direction have been instrumental in shaping and refining this work
2. I would also like to express my sincere appreciation to Mrs. Dita Oktaria, S.Kom., M.T., of the educational foundation target, for her support and cooperation during the research process. Her insights and collaboration have greatly enriched the development of this project.
3. My heartfelt thanks go to my parents, Mrs. Jaswati and Mr. Casmito, for their unwavering love, encouragement, and blessings throughout my academic journey and the completion of this final project. Their steadfast support has been a constant source of strength and inspiration.
4. I am indebted to my teammates, Fauziah Kurniati and Alamanda Regita Utami, whose camaraderie, cooperation, and companionship have made this project a collaborative and fulfilling endeavor.
5. Special recognition is also extended to my fellow members of the Mobile Legends Discord Group for their laughter, support, and camaraderie during the preparation of this research. Their encouragement has lightened the academic journey and made it more enjoyable.

6. I would like to acknowledge and appreciate the continuous support and information exchange provided by my fellow students and laboratory assistants throughout the research preparation.
7. As I reflect on the completion of this final project, I am aware of its imperfections and shortcomings, which may arise from my limited knowledge, insight, and experience. Therefore, I humbly apologize for any deficiencies that may exist in this work.
