

FOREWORD

The author was given the opportunity to organise and complete the mini thesis with the title “Impact of Marketing Strategy and Product Innovation on the Marketing Performance of MSME F&B in Bandung”, so they should begin by expressing their gratitude and praises to God the Almighty for all his benefits and guidance. One of the requirements for graduating from Telkom University's School of Economics and Business's International ICT Business Study Program's bachelor's degree is to complete this thesis.

Various parties have provided the author with motivation, inspiration, suggestions, and guidance during the writing process of this research. It goes without saying that the author is truly grateful to:

1. Mr. Sunu Puguh Hayu Triono, S.T., M.M as the thesis advisor for the author, providing guidance and recommendations to ensure the thesis is written successfully.
2. Ms. Dr. Fetty Poerwita Sary, S.S, M.Pd as the guardian lecturer that has been with the author and the class since the first year.
3. Ms. Ratih Hendayani, S.T., M.M., Ph.D. as the Head of International ICT Business Study Program.
4. The author’s parents selflessly raised their son from a young age, inspiring him to give everything he had and never settle for less than the best.
5. The parties directly involved in the survey, survey participants, and the questionnaires willing to spend time researching and contribute to data collection.
6. All my dear friends inside and outside the school, who have been there for me over the years and supported me when I feel having a bad day.
