

FOREWORD

Assalamu 'alaikum warahmatullah wabarakatuh.

First of all, let us praise and thank ALLAH SWT who has given the opportunity, grace and guidance so that the author has the opportunity to complete this Thesis with the title "Techno-Economic Analysis and Regulations Related to Health Tech in Indonesia" to complete studies at the beloved campus of Telkom University in the Masters of Electrical Engineering Department.

In addition to the requirements to complete studies at Telkom University, valuable learning is also for the author to increase insight and knowledge in the field of Telecommunication Regulation and Management and implement it into the world of work and the surrounding environment to create close and good relationships.

The author would like to thank all parties who have helped and provided support during the process of working on this Thesis. The author is aware that in working on this Thesis, there are still too many shortcomings and errors in calculating and analyzing the Health Tech Application. Input and suggestions that the author expects from all parties to develop knowledge in this research. The author expresses his deepest gratitude and apologizes profusely.

Wassalamu 'alaikum warahmatullah wabarakatuh.
