

PREFACE

Praise and gratitude be given to Allah SWT for all His mercy and gifts, so that the author can complete the Final Project entitled "IMPROVING ASSET MANAGEMENT SYSTEM DEVELOPMENT ON FACULTY OF INDUSTRIAL ENGINEERING USING SCRUM METHOD" The author would like to thank all parties who have provided suggestions, input, and support during the process of writing this Final Project. Thanks to:

1. Mrs. Dr. Ir. Luciana Andrawina, M.T. As the first supervisor who has provided valuable direction and wisdom in completing this thesis.
2. Mr. Hilman Dwi anggana, S.Si., M.Si as the second supervisor who provides valuable guidance and direction in writing this thesis.
3. Finance and Human Resources Unit Faculty Industrial Engineering Telkom University which has helped in the smooth completion of the final project.
4. To all other parties who helped, either directly or indirectly, in the smooth writing of this Final Project .

The author realizes that there are still shortcomings in this writing, therefore, constructive suggestions and criticism from all parties are highly expected. Hopefully this Final Project will be useful for the development of knowledge in this field.
