

PREFACE

Assalamu'alaikum warahmatullahi wabaraktuh.

I offer gratitude and praise to Allah Swt. for His blessings, grace, and guidance so that the writer can complete the Master's Thesis entitled **Techno-Economic Analysis of Satria-1 and Starlink Satellites for Government Communications in Indonesia**. This thesis was prepared as a requirement in completing a Master's Degree in Electrical Engineering at School of Electrical Engineering Telkom University.

The author apologizes for all errors that were made during writing this thesis. This thesis is far from perfect and therefore, the writer welcomes constructive criticism and suggestions to improve this thesis. The writer hoped that the thesis will be useful in the future to the readers to further contribute to the field of education and engineering.

Wassalamu'alaikum warahmatullahi wabaraktuh.
