

FOREWORD

Praise and gratitude the author offers to the presence of Allah SWT, because with His grace and blessings, the author can complete the compilation of the thesis entitled "Analyzing the Influence of Product Quality and Price Sensitivity on Purchasing Decisions: A Study on UNIQLO Products Among Students in Indonesia", as one of the requirements to obtain a Bachelor of Business Administration Degree in the Business Administration Study Program.

In writing this thesis, of course the author received a lot of help. The author would like to thank Telkom University, especially the Business Administration Study Program, Faculty of Economics and Business. Therefore, on this occasion the author would like to thank for the guidance, suggestions and advice that have been given during the preparation of the thesis to:

1. Dr. Ratri Wahyuningsih, S.T., M.M., as Dean of the Faculty of Economics and Business, Telkom University.
2. Mr. Mahir Pradana, S.E, M.Sc., as the supervisor and lecturer guardian who has taken the time, energy, and shared his knowledge with the author, as well as his attention to provide routine guidance to the author. Directions and suggestions that are very useful for the author in working on writing this thesis.
3. Dr. Akhmad Yunani, S.E., M.T., as the Head of the Business Administration Study Program, Faculty of Economics and Business, Telkom University
4. The proposal and thesis examiners who have taken the time to provide input and direction to the author in completing this thesis.
5. All lecturers in the Business Administration Study Program who have provided knowledge, insight, and understanding during the author's studies at the Faculty of Economics and Business, Telkom University.
6. Mamah, Bapak, Ariana, and Nova as the author's family who always provide support and prayers in the process of working on this thesis so that the author can complete this thesis well and smoothly.

7. Friends who always supports, provides encouragement and accompanies and helps the author during the preparation of this thesis so that she can complete this thesis correctly.
8. All parties that the author cannot mention one by one who have provided support. May Allah SWT bestow His mercy and grace upon them all.
9. Lastly, thank you to myself as the author who has managed to survive, never give up, and has fought to this point.

The author realizes that the preparation of this thesis still has many shortcomings both in writing techniques, language placement or scientific perception. Therefore, constructive suggestions and criticisms are highly expected as material for improvement for the author in the future. Hopefully this thesis can be useful for the author in particular can be used and used as reference material for all interested parties especially Telkom University students.
