

PREFACE

All praises and gratitude be to Allah SWT, for His infinite blessings and guidance, allowing the author to complete this thesis entitled: **“The Effect of Ethical Leadership on Work Engagement Through Leader Trust (Case Study on Generation Z Employee in Bandung City)”**. This mini-thesis is written as part of the requirements for obtaining a bachelor's degree in the International Business Management program at the Faculty of Economics and Business, Telkom University, Bandung.

Throughout the research and writing process, the author has received invaluable guidance, support, constructive feedback, and encouragement from many individuals. Therefore, the author would like to extend heartfelt gratitude to:

1. Mrs. Dr. Fetty Poerwita Sary, S.S., M.Pd., as the supervisor, for her unwavering guidance, advice, and mentorship during the preparation of this thesis. Her expertise, time, and insights have been instrumental in helping the author complete this work.
2. Mrs. Dr. Puspita Wulansari, S.P., M.M., Ph.D., as the first examiner, for providing critical suggestions and input that have greatly improved the quality of this research.
3. Mr. Dr. Kiki Sudiana, S.T., M.M., GPHR., as the second examiner, for the constructive feedback and valuable recommendations that have helped refine this research.
4. Mrs. Dr. Putri Fariska Sugestie, S.Si., M.Si., as the academic supervisor, for her guidance and advice throughout the author's academic journey.
5. All lecturers of the Faculty of Economics and Business, for imparting their knowledge, insights, and experiences that have significantly enriched the author's learning journey.
6. Mr. Asep Tedi and Mrs. Juliaha, the author's beloved parents, for their endless prayers, motivation, and unconditional support through every challenge. Their love and encouragement have been the greatest source of strength and inspiration.

7. Irna Novia, Hadi Permadi and Titin Rohaeni, the author's siblings, for their continuous support.
8. Gilang Wardhana, Gia Fitria and Nona Keisha, the author's beloved nephews, for bringing joy and comfort during difficult times and coloring the author's life with happiness.
9. Iska Alma Syawali and Naila Felisha, the author's dearest bestfriends, for their time, encouragement, understanding, and unwavering companionship throughout the author's academic journey.
10. Deden Burhanudin A, Satrio Wibowo, and Galuh Sekar, companions in completing the academic journey in 3.5 years, for their motivation, assistance, and shared struggles in finishing this thesis.
11. The author's classmates in MB-45-INT-2, for being wonderful companions throughout the entire university experience.
12. Lastly, to myself, Shafira Norina, for the resilience, perseverance, and determination to overcome every challenge and complete this thesis. I am proud of my journey and the hard work that has brought me to this milestone.

With the utmost humility, the author acknowledges that this thesis is far from perfect. Constructive criticism and suggestions are greatly welcomed to improve this work. The author sincerely hopes that this mini-thesis can provide meaningful contributions and benefits to all readers now and in the future.
