

LIST OF FIGURES

2.1	Schematic diagram of the application of WPC in the proposed scheme [1].	13
2.2	Scenario of a backdoor attack with four steps. ML: machine learning [2]	15
2.3	Siamese Neural Network architecture.Source: [3].	18
3.1	Framework General System	21
3.2	The Watermark Embedding Process	23
3.3	The Watermark Extraction Process	28
3.4	Training Siamese Neural Network Flowchart	31
3.5	Testing Siamese Neural Network Flowchart	36
