

ABSTRACT

The preparation of the report is contained in the Minister of Home Affairs Regulation Number 18 of 2020, which is an implementing regulation of Government Regulation Number 13 of 2019 concerning Reports and Evaluations on the Implementation of Regional Government. This regulation requires regional heads to prepare reports and conduct evaluations on the implementation of regional government. The preparation of the Local Government Implementation Report (LPPD) aims to support local government information systems, as well as encourage the creation of a technology-savvy government. towards change This is realized through the development of Web-based applications, and good public services. By using the Agile method, the LPPD report becomes one of the methods of developing web-based applications for local government organizer reports to improve local government performance.

Keywords: Regional Government Administration Report (LPPD), Agile Method.
