

ACKNOWLEDGMENTS

Alhamdulillah, because of His grace and blessings the author can complete the Master Thesis entitled "DEEP LEARNING METHOD WITH SIMILARITY EMPHASIS FOR ESSAY ASSESSMENT BASED ON IMAGE". During the work on this thesis, the author received support, motivation, and advice in the process of working on the final project. Therefore, with full respect and pride, the author would like to express his gratitude and say thank you to:

1. Allah SWT. has bestowed His grace and blessings so that the author is still allowed to live and fight until finally he can complete this Final Project.
2. The author's mother dan father who have always supported, prayed for and encouraged him.
3. Dr. Gelar Budiman S.T., M.T., and Prof. Dr. Indrarini Dyah Irawati S.T., M.T. as the supervisors for all the guidance, criticism, suggestions, support, and convenience provided during the final project.
4. The author's group leader and managers at the office who have always support, gave permission, and understanding, which allowed him to complete this final project.
5. Someone author's love with all his heart who always supports and encourages him in completing my final project.

And other parties who cannot be mentioned one by one who have contributed, helped and supported the author in completing the Final Project.
