

PREFACE

First and foremost, praise and gratitude to Allah SWT for His blessings, grace, and gifts, which have enabled the author to complete the academic writing entitled **“DESIGNING SUPPLY CHAIN RISK MITIGATION ASSESMENT AND STRATEGIES TO ADDRESS ENVIRONMENTAL AND MARKET VOLATILITY AT PT BANDUNG DAYA SENTOSA USING SUPPLY CHAIN OPERATION REFERENCE (SCOR) 12.0 RACETRACK AND HOUSE OF RISK (HOR)”**

I would like to express my deepest gratitude to:

- My family for their continuous support and encouragement. Their belief in my abilities has been a source of motivation and strength during the challenging times of this research.
- My friends for their support and encouragement. Their companionship and understanding have been invaluable throughout this journey.
- Someone special, without her constant support, encouragement, and belief in me, I truly doubt this final project would have ever been completed.
- Mr Ari Yanuar Ridwan, S.T., M.T., for his unwavering support, guidance, and encouragement throughout this research
- Dr. Nova Indah Saragih, S.T., M.T., for her guidance and encouragement throughout this research
- The management and staff of PT Bandung Daya Sentosa for their cooperation and willingness to provide the necessary data and insights for this study.

The author acknowledges that the proposal still has many shortcomings and places for improvement. As a result, the author welcomes imperative feedback and recommendations to assist improve this research.
