

LIST OF FIGURES

Figure I-1. Mental health problems in Indonesian adolescents by type (Center for Reproductive Health et al., 2022)	1
Figure I-2. Leading social media platforms in Indonesia (We Are Social & Meltwater, 2024)	2
Figure II-1. The CRISP-DM process model of data mining.....	11
Figure II-2. Random oversampling	14
Figure II-3. Random undersampling	15
Figure II-4. Single-label and multi-label classification.....	15
Figure II-5. The transformer model architecture (Vaswani, 2017).....	16
Figure II-6. Scale dot product and multi-head attention (Vaswani, 2017).....	18
Figure II-7. Input embedding process	24
Figure II-8. Confusion matrix	25
Figure II-9. Systematic review PRISMA diagram	29
Figure III-1. Research workflow flowchart	39
Figure IV-1. Pseudocode saving session login cookie.....	45
Figure IV-2. Pseudocode Facebook web scraping script.....	46
Figure IV-3. Pseudocode TikTok web scraping script	47
Figure IV-4. Pseudocode Facebook raw data cleaning.....	49
Figure IV-5. Pseudocode text preprocessing	51
Figure IV-6. Pseudocode automated labelling	52
Figure IV-7. Refined dataset label distribution.....	53
Figure IV-8. Pseudocode data splitting.....	54
Figure IV-9. Pseudocode random oversampling and random undersampling	55
Figure IV-10. Pseudocode Tokenization Process	57
Figure IV-11. Pseudocode model training	62
Figure IV-12. Convergence analysis.....	71
Figure V-1. Confusion matrices of Depression (left) and Anxiety (right).....	77
Figure V-2. Pseudocode dashboard web application	78
Figure V-3. Dashboard interface.....	79
