

ACKNOWLEDGMENTS

Bismillahirrahmanirrahim. Alhamdulillah rabbil 'alamin. Laa haula wa laa quwwata illa billah.

In the name of Allah, the Most Gracious, the Most Merciful. All praise and gratitude are due to Allah, Lord of the Worlds, whose blessings and guidance have enabled me to complete this thesis and earn my Master's degree.

I would like to express my sincere gratitude to everyone who provided invaluable support, guidance, and prayers throughout this journey:

1. My beloved parents, Mr. Mustamin and Mrs. Nurhaida, for their unconditional love, support, and endless prayers. May Allah grant you continued health, happiness, and longevity.
2. My dear sisters, Melita Indah Nurhayati and Citra Suci Hidayati, for always being present during both joyful and challenging times. May Allah bless you with success, happiness, and well-being.
3. My brothers, M. Iqbal and Musa, whose constant encouragement and support have always strengthened me. Thank you for always being my trusted companions.
4. Favian Dewanta, S.T., M.Eng., Ph.D., my thesis supervisor, for his insightful lectures, invaluable guidance, and continuous mentorship. Your support has significantly contributed to my academic growth. May Allah bless you with abundant health and prosperity.
5. Dr. Farah Afianti, S.T., M.T., my co-supervisor, for her valuable advice, understanding, and continuous encouragement. May Allah grant you good health, and success in every aspect of your life.
6. Danu Dwi Sanjoyo, S.T., M.T., Ph.D., and Dr. Sofia Naning Hertiana, Ir., M.T., as examiners during the Thesis Proposal Seminar; Dr. Surya Micrandi Nasution, S.T., M.T., and Dr. Nyoman Bogi Aditya Karna, S.T., MSEE., as examiners for the Mid-Term Defense; Prof. Dr. Achmad Rizal, S.T., M.T., as Thesis 1 Course Instructor; and Dr. Ida Wahidah, S.T., M.T., as my academic advisor, for their insightful feedback and constructive critiques, significantly enhancing the quality of this thesis.

7. All lecturers from Telkom University, especially those in the Master's program, who have generously shared their knowledge, wisdom, and inspiration throughout my studies. Your dedication has truly been inspiring.
8. Mr. Insan and Mrs. Giashinta, for their kind assistance and support with academic administration matters.
9. My colleagues at the Senior Operational Risk IT Group, particularly the Decentralized Compliance Operational Risk IT and Services Department at Bank Mandiri, for their understanding, support, and encouragement during my studies.
10. All classmates and friends from the Master's program, whose companionship, motivation, and support have greatly enriched my academic experience.

I sincerely apologize for any inadvertent errors or omissions in acknowledging individuals' names or titles. May Allah, the Most Gracious, reward your kindness abundantly.
