

ACKNOWLEDGEMENTS

This thesis has been compiled with the effort, help, and support from all those involved. The author would like to express deep gratitude and appreciation to:

1. Allah SWT, for His infinite love, guidance, and forgiveness in all my shortcomings, and to Rasulullah SAW, the role model who continuously inspires me to live a better life.
2. My parents, for their unwavering support, affection, time, prayers, and boundless financial assistance in helping me complete this thesis.
3. Mr. Suryo Adhi Wibowo and Mr. Sudarmono Sasmono, my supervisors, who devoted their time to provide valuable criticism, suggestions, and guidance in the development of this thesis.
4. My family, especially my younger sibling and cousin, who have always encouraged and motivated me to complete this thesis.
5. My friends, who have always listened to my complaints and been there to accompany me through the ups and downs of this journey.
6. My fellow thesis colleagues, who have provided me with support and insightful perspectives whenever I felt lost during the process of writing this thesis.
7. All other friends and family members, whose names I cannot mention individually, but who have contributed to the completion of this thesis in various ways.
