

ACKNOWLEDGMENTS

This thesis was compiled with the effort, assistance, and support from lecturers, family, colleagues, and close friends who have always supported and encouraged me throughout this research. I would like to express my deepest gratitude and appreciation to:

1. My Thesis Supervisors and Co-supervisors: Mr. Prof. Dr Adiwijaya, S.Si., M.Si. and Mrs. Angelina Prima Kurniati, S.T., M.T., Ph. D.
for the guidance and support throughout my master's studies. The guidance has been very helpful during the research and writing process of this thesis. Thank you for being such an excellent advisor and mentor.
2. My Thesis Reviewers: Mr. Dr. Didit Adytia, S.Si., M.Si. and Mr. Dr. Ir. Moch. Arif Bijaksana, M.Tech.
for the insightful comments, encouragement, and valuable questions that inspire me to widen my research from various perspectives.
3. Head of Master of Informatics: Dr. Setyorini, S.T., M.T.
for their guidance, and support throughout my study. I would like to thank the entire faculty and employees of Master of Computing. Your dedication to academic excellence and encouragement has greatly contributed to my success in completing this thesis.
4. Supportive Family: my beloved father, Mr. Ir. Ahmad Rodia Burkon, my lovely mother, Mrs. Irma Emillia, S.E., my sweet sisters, Ms. Arbie Aghniafaza Burkon.
for the unconditional love, endless support, constant prayers, and always believe in my abilities motivated me during the demanding research and writing process. Your constant encouragement and belief in my abilities have been the backbone of my perseverance. During times of doubt and exhaustion, your words lifted me, and your presence gave me strength. I am truly grateful to have such a supportive family who stood by me every step of the way—this accomplishment is as much yours as it is mine.
5. Supportive Big Family: my beloved grandma, Mrs. Cucu Sarimaya, my beloved grandpa, Mr. Kusoy, my lovely aunties, Mrs. Nina Julita Effendi, Mrs. Ani Maryani, Mrs. Ika Siska Kartika, Mrs. Rien Siti Rohmaniah, my supportive uncles Mr. Aris Permono, Mr. Fifik Taufik Hidayat, Mr. Herawan Pura, Mr. Abdul Aziz, my loving cousins Salshabila Putri Natasya, Arsyah Aldirrahan, Zahra Nailah Maulida, Rayhan Ramadhan Pura, and Anissa Puspa Rindy.

for the care, encouragement, and prayers that have continuously supported me, as well as for the trust you have placed in me. Throughout the challenges of the research and writing process, I have felt strengthened by your support. The warmth and togetherness of our family have been a enormous source of motivation, helping me to keep moving forward and complete this journey.

6. Supportive Fiancé: Nur Gilang Saputro

for the unwavering support, patience, and love throughout this journey. Your constant encouragement, whether during moments of stress or triumph, has been a source of strength that kept me going. Thank you for believing in me even when I doubted myself, for listening to my endless stories about this project, and for being my greatest cheerleader.
