## **PREFACE**

Praise and gratitude to Allah SWT, may blessings, health, and greetings ever be sent down, so that the author can finish conducting the Final Project Work. The project entitled "Designing A Book To Guide Children Aged 6-To-12 About Healthy Foods" is to complete the Final Project assignment for the Visual Communication Design study program's eighth semester.

The authors would like to thank the following people for their advice, suggestions, and assistance in completing this professional work report, which they gratefully acknowledge:

- 1. Allah SWT who is always by my side, directing me to the right path every second and bless me endlessly.
- 2. My parents, who always give me the full support at any time and always pray for the best for myself.
- 3. Ms Diani Apsari and Ms Astiti Ramdani Elmanisa, as Supervisor 1 and Supervisor 2, who has invested a great amount of time in helping me work on this project, as well as making sure that my work is at the highest level.
- 4. Fadiyah Beliacintiana as a partner who has always been my support system and the one who put a smile on my face every day.
- 5. Akira Naposo, Rifqi Naufal Iwasaputera, Muhammad Rayendra, Amanta Rashad, Ilham Zaidaan, and Muhammad Gaza, who always helped me and being my moral support in completing this final project.

Of course, this paper is far from perfect as there are still many shortcomings. Therefore, the author would like an apology and hope for critics and suggestions for improving this paper.
