

PREFACE

Praise be to Allah SWT, who gives HIS kindness and blessing for the author to finish his Final project entitled “ANALYSIS OF OPTION CONTRACT INVESTMENT WITH PUT-CALL PARITY APPROACH METHOD ON IHSG & LQ 45 2009 – 2012 PERIOD”.

This final project is done for fulfilling one of requirements to graduate in bachelor degree major of International Management of Telecommunication and Informatic Business at school of business and economics Telkom university. I want to say my thanks and gratitude to all of people gives support and guide during the process. Thus, I want to say thanks to :

1. Mr. Riko Hendrawan, DR. CSCP, CPHR whom as a lecturer, supervise and support me patiently until I could finish this final project.
2. Mrs. Nora Amelda Rizal, Ir, MSc,MM and Mrs. Irni Yunita, ST, MM as reviewer that also give me their opinion and correction for this final project.
3. Arief Zein Fedayeen and Rosalinda Effendi as my lovely parent who always give me support and loves for my entire live. Also, my thanks to Uti Nila, Om Ikhsan, Mama Eci, Om Azmar, and Tante Ria that are always support and guide in the making of the thesis.
4. To my best friends Kahfi Ali Perdana, Rifqi Dzakiri, Gayuh Raditya, Eko Yudi Mulyono, Ferdi Indra Kurniawan that help and support me in the proses of making the mini thesis.
5. To Mr. Irwan, Ms April and all of the staff in the school of business and economic Telkom University that always help me during registrations and stuff to complete this project.
6. To all my friend in ICT International Class, especially batch 2010, who helps, guide and support me during the process.
7. And all of people that without disrespect, could not be mentioned one by one for their help and support on this final project.

Last word, I hope that ALLAH SWT gives me his blessing to all people who already help me completing this project. I hope that this final project could bring usefulness to all people who read it.

Bandung, May 2014

Muhammad Rizky Fedayeen
